

350 East Cermak Road

CHICAGO, IL

DIGITAL REALTY

Why 350 East Cermak Road?

Digital Realty is the owner and operator of one of the largest data centers in the world at 350 East Cermak, with over 1.1 million square feet of space and over 100 MW of utility power. Our facility is ready to support your fast-growing requirements with our many scalable offerings and flexible design options supporting single cabinet to multi-megawatt deployments. 350 East Cermak is the most interconnected multi-tenant datacenter in the Midwest with over 70 network providers and is also in close proximity to network, cloud, and content ecosystems available within the metro. Service Exchange also offers the ability to connect to any or all major cloud providers directly and economically.

Metro Ecosystem

- 95+ enterprises
- 25+ cloud providers
- 10+ content providers
- 35+ information technology providers
- 90+ network providers

Connectivity
