

An aerial photograph of Nairobi, Kenya, at dusk. The city skyline is visible with various high-rise buildings, some with lights on. A prominent building with a spire is on the left, and a tall, thin tower is on the right. The sky is a deep blue.

# Karen Campus (NBO1)

NAIROBI, KENYA

DIGITAL REALTY®

## Why Nairobi Karen Campus?

A master-planned campus with over 34,000 square meters of space and more than 14MW available IT power, clients have room to grow. With its world-class data center infrastructure and network dense ecosystems, this location forms a vital part of the African Internet's backbone, allowing customer access to numerous service providers and clouds.

Whether you are serving up Internet content, financial data, or cloud-based services, the facilities in the Nairobi campus provide an efficient, secure, and resilient location for clients to address their increasing power and space needs.
