Lagos Campus (LOS2)
LAGOS, NIGERIA
Why Nigeria’s Lagos Campus?

Located in the largest city in Nigeria. A master-planned campus with over 1MW available IT power, and more than 20MW of planned expansion, clients have room to grow. With its world-class data center infrastructure and network dense ecosystems, this location forms a vital part of the African Internet’s backbone, allowing customer access to numerous service providers and exchanges.

Whether you are serving up Internet content, financial data, or cloud-based services, the facilities in the Lagos campus provide an efficient, secure, and resilient location for clients to address their increasing power and space needs.
Location

Located in Victoria Island the LOS2 facility is located only 20 km from downtown Lagos and only 28 km from the international airport.
