

# Introducing ZUR2: One of Zurich's securest, most scalable and best-connected data centres

If your business wants to connect, exchange and transform, choose ZUR2.

ZUR2 is the latest addition to the Digital Realty data centre campus in Switzerland. Strategically positioned just 5 minutes from Zurich Airport, our state-of-the-art ZUR2 campus introduces 6,600 m<sup>2</sup> of data centre space and provides access to more than 50 carriers/ISPs and many cloud providers.

Trust one of the securest and most flexible data centres with your mission-critical applications. With us, you benefit from the highest safety standards and latest technology, which guarantee availability and performance.

ZUR2 was designed with a focus on sustainability and modular architecture. Cost-effective cooling, advanced early fire and water detection systems, a multi-layer

security concept protected by five physical security barriers, and the most advanced alarm and surveillance systems make ZUR2 one of the securest data centres in Switzerland.

## **Innovators interconnect at Digital Realty**

### **Enhance competitiveness with the right infrastructure, in the right place.**

Our Zurich campus attracts a diverse range of businesses making it easy to interconnect with industry peers, partners and suppliers to drive differentiation and find competitive advantage in today's crowded digital marketplace. Direct access to the most important cloud platforms including AWS, Google, MS Azure, Oracle and IBM and many local clouds as well as free connections to the SwissIX, Swiss Internet Exchange Point, make ZUR2 the place to build your perfect business platform.
