

600 West 7th Street
Los Angeles, California

Why 600 West 7th Street?

Recognized for its sustainability efforts as an L.A. Green Business, Digital Realty's Downtown Los Angeles data center is a secure and reliable environment for your equipment, with redundant and competitively priced routing to dozens of

leading domestic and international carriers for a simple, cost-effective cross connect to critical Software-as-a-Service (SaaS), CRM, gaming, cloud applications, or other business service partners.

Location

One of the premier colocation facilities in Southern California, the facility at 600 West 7th Street offers seismically rated infrastructure as well as physical connection points to the world's telecommunications networks and backbones such as One Wilshire, located just blocks away.
