

2805 Lafayette Street  
Santa Clara, California

# Why 2805 Lafayette Street?

Digital Realty's data center at 2805 Lafayette Street provides the ability to rapidly deploy within one of the most connected data center campuses in Silicon Valley. The 145,000 square foot facility is ready to support your fast-growing requirements with our many scalable offerings and flexible design options ranging from single cabinet to multi-megawatt deployments.

Digital Realty provides customers with 2N redundant electrical infrastructure as well as access to major fiber routes and is in close proximity to network, cloud, and content ecosystems available within the metro. Service Fabric also offers the ability to connect to cloud providers directly and economically.

## Location

Digital Realty's 2805 Lafayette Street data center is situated in the heart of Silicon Valley, close to the 101 freeway corridor on major fiber routes connecting San Jose with San Francisco, and strategically proximate to the world's forefront leaders in technology innovation.
