

151 Front Street
Toronto, Canada

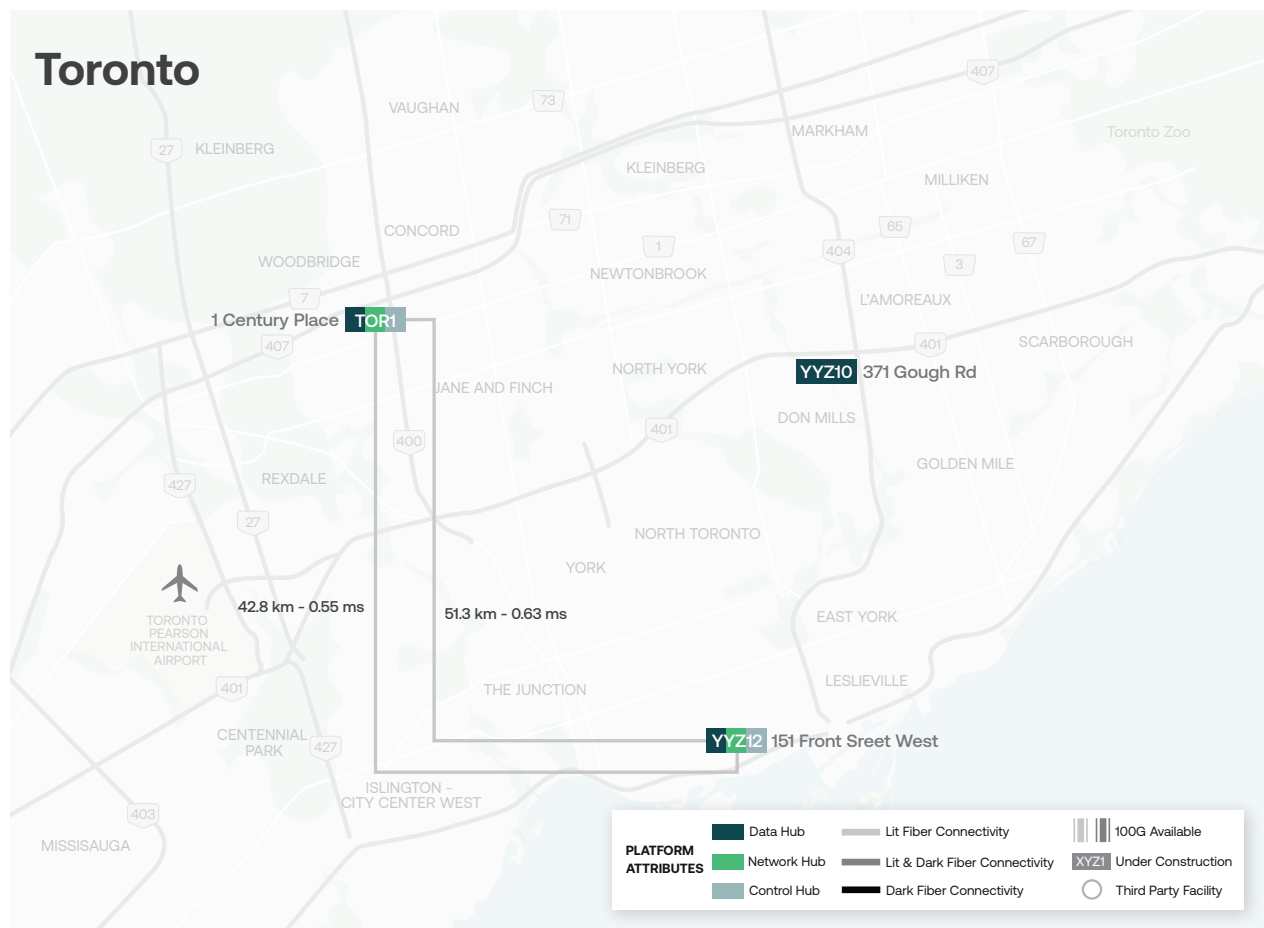

151 Front Street at a Glance

Digital Realty's 151 Front Street West data center is located in the epicenter of Toronto, the largest market in Canada. Within a well known carrier hotel in the heart of downtown, and close to major airports and transportation hubs.

Whether you are serving up Internet content, financial data, or cloud-based services, the facility

at 151 Front Street provides an efficient, secure, and robust facility, an ideal location for clients to address their increasing power and space needs. In addition to numerous clouds and networks available within the facility, this strategic location provides exceptionally low latency access to businesses, end users, and interconnection destinations within the Toronto market.
