

# Lagos Campus (LOS1, LOS2)

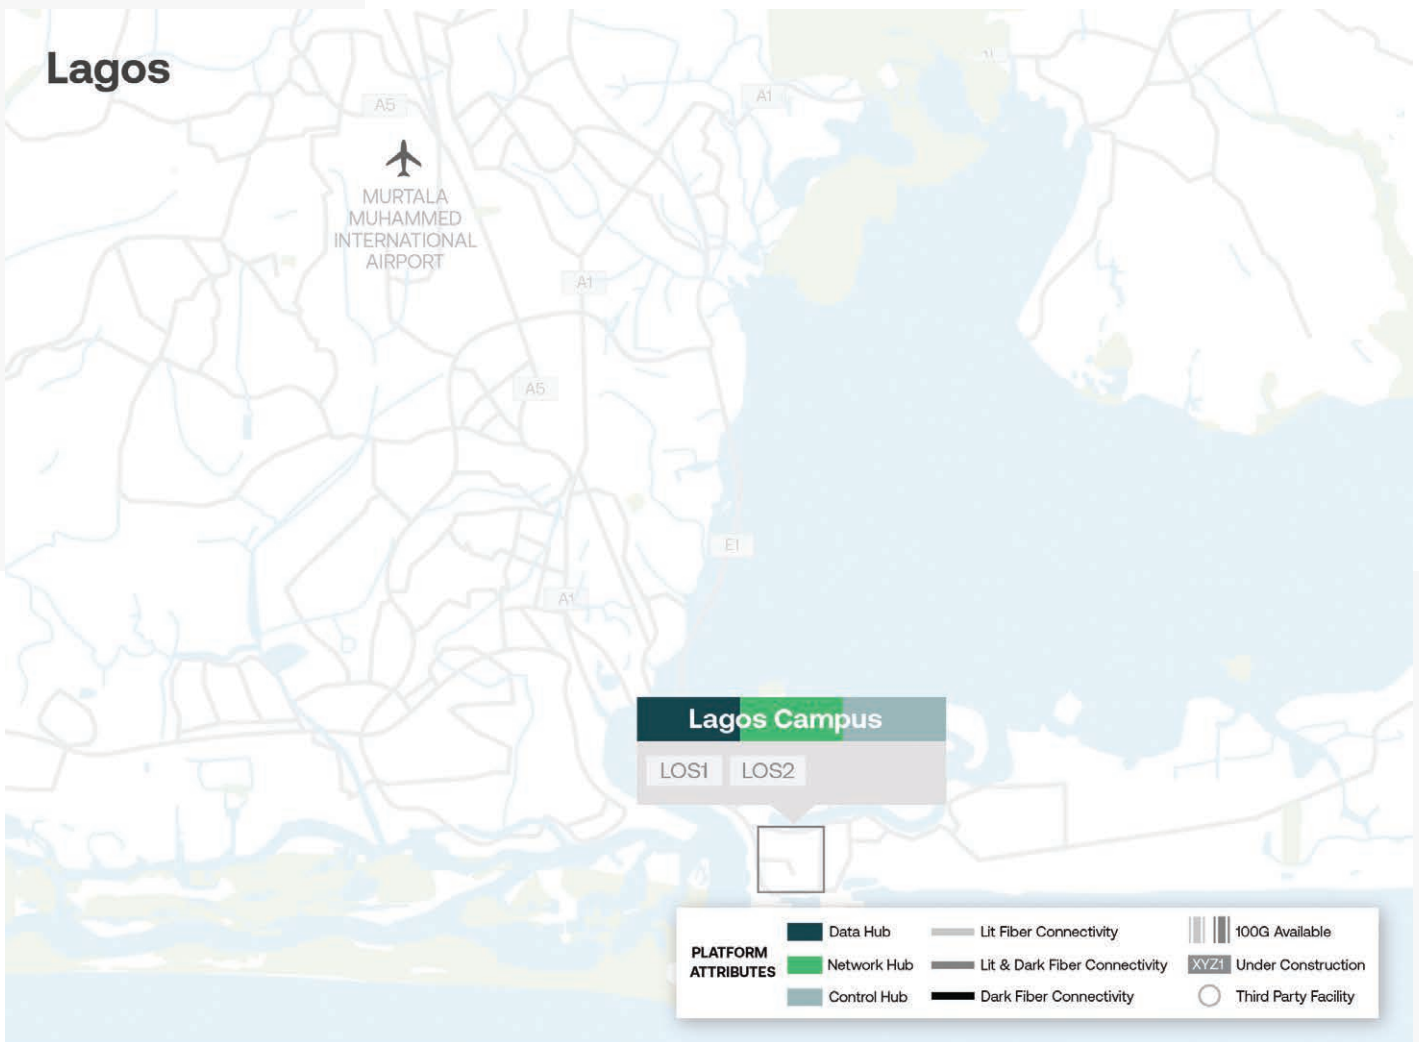

Lagos, Nigeria

# Why Lagos (LOS1, LOS2)?

Located in the largest city in Nigeria, **LOS1**, **LOS2** is a master-planned campus with over 1MW available IT power, and more than 20MW of planned Victoria island campus expansion, clients have room to grow. With its world-class data center infrastructure and network dense ecosystems, this location forms a vital part of the African Internet's backbone, allowing

customer access to numerous service providers and exchanges. Whether you are serving up Internet content, financial data, or cloud-based services, the facilities in the Lagos campus provide an efficient, secure, and resilient location for clients to address their increasing power and space needs.

## Location

Located in Victoria Island the facilities are located only 5 km from downtown Lagos and 28 km from the international airport.
