

720 2nd Street  
Oakland, California

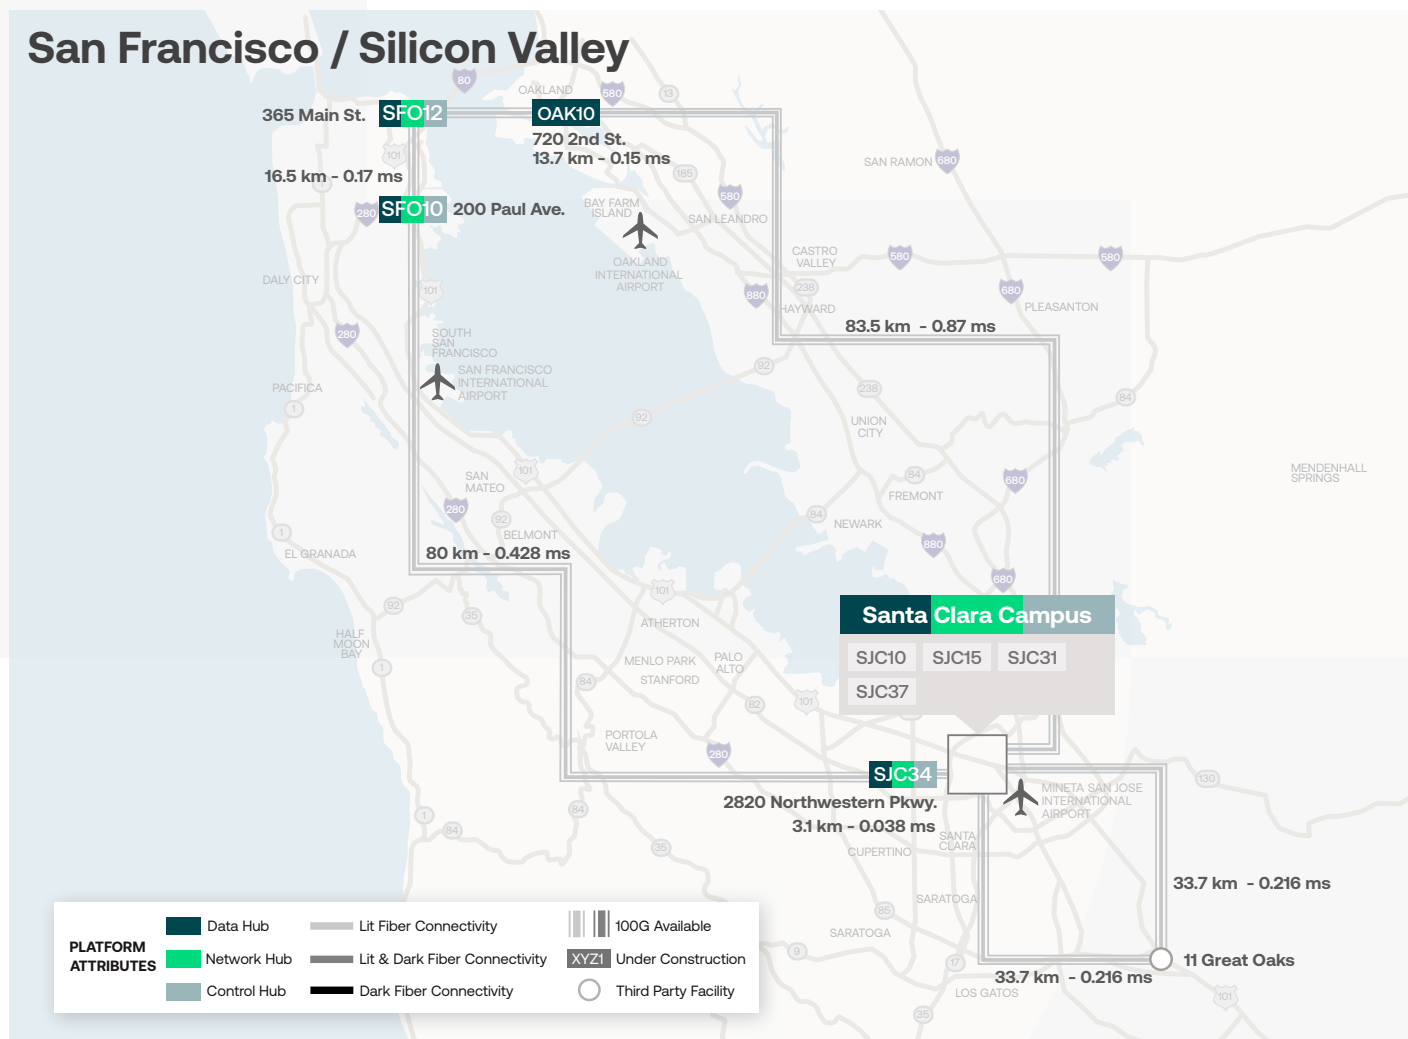

# Why 720 2nd Steet (OAK10)?

OAK10, as the premier East Bay data center, the carrier-neutral facility at 720 2nd Street offers world-class remote hands support along with over 15 Internet providers, allowing businesses to leverage the cloud and enable highly connected

deployments ranging from 4 Kilowatts to custom-built cages. The high-density cloud and carrier connectivity at this data center provides an agile and flexible platform for our customers to meet their growing data center requirements.

## Location

Digital Realty's Oakland data center customers avoid the Silicon Valley commute, yet experience all the advantages that the fiber rich Jack London district offers. Just 4 blocks away from the Ferry Terminal, and with its proximity to West Oakland BART and three international airports, 720 2nd Street customers also experience the benefits of accessibility
