

641 Walsh Avenue
Santa Clara, California

Why 641 Walsh Avenue (SJC37)?

Our 641 Walsh Street data center empowers companies to rapidly deploy within one of the most connected data center campuses in Silicon Valley. The facility has many scalable offerings and flexible design options ranging from single-

cabinet to multi-megawatt deployments. This center unlocks access to major fiber routes and is near network, cloud, and content ecosystems. ServiceFabric also offers the ability to connect to cloud providers directly and economically.

Location

Offering customers direct connections to hundreds of the world's leading carriers, ISPs, cloud service and content providers, Digital Realty is the interconnection center operator for the green-designed Vantage data center campus in Santa Clara.
